**Preschool News**
Our new preschool classes have settled in well this year. We have been very busy gardening, cooking and playing with our new friends. We have been out exploring the primary school grounds, looking at signs around our school and discussing safe pathways to walk to our preschool class. Thank you to all the preschool families who role model road safety by using the pathways and not walking through or parking in the staff carpark.

THE POWER OF POSITIVE PARENTING
FIVE WEEK PARENTING COURSE

The three P’s in ‘Triple P’ stand for ‘Positive Parenting Program’. The system is very effective in reducing behaviour problems; more than half of its 17 strategies are focused on developing positive relationships, attitudes, skills and conduct. Triple P teaches parents broader principles that may be applied positively in most parenting situations. Its aim is prevention of problems in the family, school and community, and creation of family, school and community, and creation of family environments that encourage children to realise their potential.

Triple P helps parents:
Create a stable, supportive, harmonious family environment.
Teach their children they need to get along with others.
Deal positively, consistently and decisively with problem behaviour should it arise.
Encourage behaviour that they like.
Develop realistic expectations of their children and themselves. Take care of themselves as parents.

Commencing on 25th of March 2015 for a five week duration.
TIME: 9:15am to 11:15am, Thursdays.
VENUE: Rydalmere East Public School – Spurway Road, Ermington
PRESENTER: Sharlene Pasqual - Family and Community Worker from Parramatta Mission.
