A quality education in a caring, innovative environment
April 2015 (Issue1)

We look forward to seeing you all at the Easter Hat Parade /grandparents Day tomorrow starting at 9.30am

In the classroom
Jett and Caleb (1B) shared their scary stories about an Evil Creature (Jett) and the Monster Blob (Caleb). These boys had written several interesting sentences to describe these frightening creatures. Year 1 have certainly been having some fun with their writing!

I was also very impressed with Daniel (3/5D) who shared his work on dictionary meanings for his spelling words.

Soccer stars
Congratulations to Tomas and Samuel who have progressed to Zone level for soccer.

Staff development day term 2
Teachers and staff return to school on Monday 20 April. Our preschool educators are attending a full day conference and will be joined by our Kindy teachers from lunchtime for sessions on transition to school. The rest of the staff will be discussing our 3 year school plan, analysing data, discussing professional development to ensure our plan reflects school and community high expectations for student achievement over the next 3 years.

Birds in schools
Thank you to the garden helpers Abraham, Ryan, Kora, Hussnia, Levi, Jack and Matthew A who assisted Margaret Kelly preparing the garden near lower Spurway St gate for Birds in Schools planting. Today we welcomed representatives from ‘Birds in School’ who supervised the planting of bird attracting natives on the oval banks. Fifty shrubs, 100 grasses and groundcovers were planted as habitat for small birds.

Need to contact us?
Just a reminder that our school office is open from 8:15am to 3:30pm to answer your phone calls and enquiries.

Mrs Chapman and Ms Krautloher choose to arrive earlier and work later than these hours so they can complete the many tasks required each day.

Teachers are usually here early in the morning and until late in the afternoon preparing class activities or attending training sessions and can be contacted between 8.15 and 3.30pm by phone.
Coming up…
In week 2 we have booked a school show on Australian Folklore. The cost will be $4 to $5 per child. During the century of the Anzac campaign, we are focussing heavily on Australian heroes. This show supplements this part of the curriculum.

Student Wellbeing

Honour Roll

Huge thanks to the parents & students who generously gave their time and energy on Saturday 21 March at the REPS Working Bee. We were able to tidy up the gardens around the OLA & Spurway St entrance, car park gardens and stabilised & mulched the Birds in School garden area around the Lower Spurway St gate & pathway.
Hearty thanks to the following families: Williams, Welsh, Smith/Thomas, O’Hara, Mills/Snell, Goss, Garcia, Barber, and the inspiring Margaret Kelly.

Thank you also to Bunnings Rydalmere for their donation of soil conditioner for our garden beds.

Have a great holiday
